Dear Chuck:

Now that we are completed with the new construction at the Ozaukee County Country Club, I want to thank you for the outstanding work that you provided.

It was a genuine pleasure working with you for the Pro Shop furnishings. Despite the relatively short time schedule, you produced, delivered, and installed the furnishings exactly as promised.

In addition, we are very pleased with the quality of the millwork and furnishings. The finish and distressing met all of our expectations.

I would recommend you and your firm without any reservation. Thank you again.

Sincerely,

Michael K. Comerford
